CEMETERIES OF BENTON COUNTY, ARKANSAS

Volume 1 V.1 Spring 1974

PUBLICATIONS
OF
THE ARCTIC INSTITUTE OF NORTH AMERICA

1801757

The Northwest Arkansas Genealogical Society, whose goal is to gather, preserve, and perpetuate records of our pioneer ancestors, presents our first volume of Benton County cemetery records. Cemeteries from all sections of the county are included, and it is our earnest desire to record every cemetery in Benton County before they are lost forever.

Anyone having knowledge of burials where there are no stones may contact a member of N.A.G.S., and the information will be gratefully accepted and placed in Volume II.

We strived for accuracy, but some of the stones are very dim and there is always a chance for error. The spelling is as we read it, though it seemed unusual in some instances. We would appreciate any corrections or additions.

Our cover was drawn by Verba Jo Pearce, with material furnished by Lillian Fagala, Joyce Hornback, and Roger Huff. It is a map of Benton County locating major roads and cities, and indicating the sites of cemeteries. A geographical location is also given at the beginning of each cemetery list, and the name or names of those who copied that cemetery. A list of abbreviations used are also included.

To all those great volunteers who climbed fences, waded briars and weeds, acquired ticks and chiggers, avoided snakes, and ran from cattle to copy tombstones - our thanks. To all those great volunteers who took those records and compiled them into this volume - our thanks.

DOUGLAS CEMETERY
IN MEMORIAM
DOUGLAS

JESSE T. DOUGLAS	Nov 3, 1803	Sep 11, 1863
MAJINCY E. ROUGHTON DOUGLAS	Mar 26, 1812	Nov 11, 1903

Both were born near Murfreesboro, Tenn., came by Ox wagon to Twelve Corners, Ar. in 1839. Settled on this homestead in 1860. In 1863 they set aside this cemetery site, which was deeded by the heirs in 1904. To them were born six sons, J. Marion, Thomas Hopkins, Jesse Powell, Elija H., John Jasper and Decatur Quitman; and two daughters, Christine Belle and Amanda. The sons were all buried here except Dr. J. Marion Douglas, a high ranking officer in the Confederate army, who was killed in the battle of Corinth and is buried in the Confederate cemetery at Vicksburg, Miss. During the Civil War, Elija was killed by Bushwhackers a mile north of this site while trying to save his brother's horse. These Bushwhackers took all livestock, tore up the kitchen floor where food was hidden, missing only one box of corn in a field. Thomas Hopkins Douglas also served in the Confederate Army. We honor our pioneer forefathers who carved out the wilderness this wonderful land we love.

Located: Between Healing Springs and Highfill. 1/2m N off #264. Copied by Highfill Extension Club 1968. Brought up to 1973 by Olen and Lillian Fagala.
